

Daymap Connect is an extension of the Daymap Learning Management System. It is a Parent Portal and combines communication and student management, by providing parents with access to key school and student information on their child's learning behaviour, progress and performance.

Accessing Daymap Connect

Daymap Connect can be accessed using a login and password per parent (with the option to provide multiple logins). The easy-to-use system allows parents to access details for all their children enrolled in the school, anywhere and anytime.

The Daymap Connect log in screen is shown below. This can be found by using the URL address that the school has provided.

The image shows a screenshot of the Daymap Connect login interface. At the top is the Daymap logo. Below it is the text 'Build SA'. A link 'Staff and Students click here for Daymap' is displayed. There are two input fields: 'Username' and 'Password'. Below these is a blue 'Sign in' button. At the bottom, there are two links: 'Forgot your password?' and 'Can't access your account?'.

Creating an account will differ depending on the school. Some schools will send a link via email, which you will follow to set up your account.

Alternatively, if the school has notified you that your account has been enabled, you can click **Forgot your password** and you will be redirected to a password reset page. You will need to enter your email address that is registered at the school and some schools also require the student code that they would have provided you. Once details have been entered, click on **Reset Password**. A username and password will be sent instantly to your email account.

Enter the email address you have registered with the school along with a matching valid student code. A link to set your password will be emailed to you.

Note: Due to security reasons, Daymap is unable to assist if there is an issue with accessing your account. For assistance, please contact your child's school.

Daymap Connect

Daymap Connect has different levels of access that are set by the school. A reduced access mode prevents access to sensitive student information and might be used by the school if you have not completed any required identity checks.

Daymap Connect is navigated via the tabs on the left side of the window to view messages, a calendar of events, school notices and account details.

Schools can customise which tabs are used; therefore, your parent portal may not look exactly like the images below.

Dark/Light Mode

The Parent Portal can be used in dark mode, or light mode. Click on the icon to toggle between modes

Minimizing Nav

The navigator on the left-hand side of the screen can be maximized or minimized using the **Minimize Nav** button.

Home Tab

This is the main page of the Parent Portal. On this page you will see recent messages and upcoming events. Click on a student icon to access information specific to each student (please note: if you have reduced access, you will not see or be able to access individual student information.)

Reduced Access

My Messages

This shows all messages received and sent from the parent portal. This enables you to easily contact teachers about any issues of importance: excursions, reminders, personal matters etc. This is a fantastic tool to keep you up to date and aware of what's happening in your child's classroom. You are able to reply to received messages and receive email notifications on unread Daymap messages.

My Calendar

This provides an overview of events for the year, such as upcoming school holidays, excursions and parent teacher interviews. The Calendar can be viewed by Day, Week, Month or Timeline.

Communication Folders

Schools will create Parent Notice folders to meet their needs – you may see one or more tabs for viewing information sent by the school.

My Account

This shows your current contact details, as recorded by the school. Please contact the school to update your details if the information shown here is incorrect.

Student Profile

From the Daymap Connect home tab, you can click on a child's name to view their student profile which provides more detailed information on their attendance, assessment and details. This assists you to keep track of your child's progress at school.

Home

The Home Tab displays a snapshot of student activity tasks and homework and any upcoming events. Student Activity is listed in chronological order, the school determines the types of information they will include here. All tasks and homework are shown with the set and due date. Upcoming events displays your child's timetable for the upcoming week.
